Some definite facts of Positive Proofs - concerning:
This "Pig Woman" - she's a perjurer plain and pure - 1st she says her name Jane Gibson is her maiden name, its a lie - her real maiden name is, Mary Eisleitner (German French) born Hoboken, is 52-53 years old, look up records in Hoboken 1890 to 1900, was off and on a cabaret singer in 1897-1898 in Gansbergs Dance Hall, Wash.St., Hoboken, we all know her - I am a Hobokenite and want justice but no publicity - In 1899 was also in Gillin's Roadhouse near graveyard in N.Brunswick - in 1900. Marry'd Harry Kitcher of N.Y. in 1901 (also see records in Newark). She was in 17 Fair St. disorderly house kept by Mrs. Borach once of 10 Rankin St. saloons both time - girls in rear - you know, - "_____ house" and in 1902 was raided at 119 Academy St., Newark by Detective Carson & Coakley and Capt. Uphous of 1st Precinct 1902 - look up Police Records in 1902 - she say's in an interview, Truth Crusht to Earth'll rise again; I guess it will. Her name in Newark in 1902 was Janette Hilton in 34 Campbell St. - Tony knows her - tell her Tony lived next door - then she went with Bill Easton to N.Brunswick and she named herself Janette Gibson - she's not even married to Easton just living with him since 1903 - no record of being married, ask her where? so that's that. And Nellie Russell is correct she was in her house that night - she'd lie and do anything for money almost. She's a perjurer. I know her from Hoboken years and years since I was a kid - she's a no account - a baker in N.Brunswick 1st name is George (something) had her in line in 1900 at Gillins bought her a medal for bicycle riding in N.Brunswick Female Race - he has a bakery out towards graveyard way first name is George - Bakery - So this will help foreits the truth so help me God.
